Frequently Asked Questions

- 1. Who is considered a nonresident?** A nonresident is an individual who does not meet the definition of a resident. A resident is an individual who either: 1) is domiciled in Missouri (maintained a permanent residence or place in Missouri that he/she plans on returning to whenever absent), or 2) is not domiciled in Missouri, but did have a permanent residence and spent more than 183 days of the taxable year in Missouri. (**Exception:** An individual, domiciled in Missouri, who did not maintain a permanent residence in Missouri, and did maintain a permanent residence elsewhere, and spends not more than 30 days of the year in Missouri is not a resident.) A **part-year resident** is treated the same way as a nonresident. **However**, a part-year resident also has the option of determining tax as a resident for the entire year and using Form MO-CR, Credit for Income Taxes Paid to Other States or Political Subdivisions to take credit for taxes paid to another state. The choice to use Form MO-CR or Form MO-NRI is up to you, based on the one that provides the best benefit.
- 2. What are the federal line references on the worksheet used for?** You must determine what portion of each line on the federal return is Missouri source income. The federal line references will help you find the information needed on Lines A through R. Attach a copy of your federal return for verification.
- 3. If I am stationed in Missouri for military orders, but my home of record is not Missouri, and my spouse had Missouri source income, is he/she required to complete the Form MO-NRI?** Yes. Both of you need to complete Form MO-NRI and submit it with your Missouri return. If you had military income only, your Missouri income percentage would be 0% on Part B, Line 3. If your spouse's total income was Missouri source, 100% should be entered as the Missouri income percentage on Part B, Line 3. As a nonresident of Missouri, any income from a Missouri source (excluding military pay) is taxed by Missouri.
- 4. If I have a Missouri domicile and I am stationed outside of Missouri, but my spouse remained in Missouri, do I have to pay Missouri tax on my military income?** Yes. Your military income and your spouse's income would be 100 percent taxable to Missouri.
- 5. If I have a Missouri domicile and I am stationed outside of Missouri, do I have to pay Missouri tax on my military income?** No, provided you did not maintain a permanent place to live in Missouri **and** you maintained a place to live elsewhere **and** you spent not more than 30 days of the year in Missouri. Simply complete Part A and B of Form MO-NRI, sign, and submit to the department. A Missouri tax return is not required. However, if you had Missouri source income and/or taxes withheld from Missouri, you must file a return to pay your tax liability or claim a refund.
- 6. What is Missouri source income and how do I determine the Missouri source income for my spouse and myself?** Missouri source income is the income earned in Missouri. It includes: 1) wages earned in Missouri; 2) interest, dividends, and pension income received during the time you/your spouse were a Missouri resident; 3) income from business, trade profession, or occupation carried on in Missouri; 4) income from real or tangible personal property in Missouri; and 5) winnings from a gaming/gambling activity. You should use the worksheet on page 8 of the Form MO-1040C book, or on page 6 of the Form MO-1040 book, to allocate your income between you and your spouse. You should determine what portion of each line on your federal income tax return is Missouri source income for yourself and your spouse and enter on the appropriate line on the worksheet above.

Under penalties of perjury, I declare that I have examined this form and to the best of my knowledge and belief it is true, correct, and complete. Declaration of preparer (other than taxpayer) is based on all information of which he/she has any knowledge. As provided in Chapter 143, RSMo, a penalty of up to \$500 shall be imposed on any individual who files a frivolous return.

Instructions for Completing the Adjusted Gross Income Worksheet

Missouri law requires a combined return for spouses filing together. A combined return means taxpayers are required to split their total federal adjusted gross income (including other state income) between spouses when beginning the Missouri return.

Splitting the income can be as easy as adding up your separate Form W-2s and 1099s. Or it may require more calculating by allocating to each spouse the percentage of ownership in jointly held property, such as businesses, farm operations, dividends, interest, rent, and capital gains or losses. State refunds should be split based on each spouse's 2002 Missouri tax withheld, less each spouse's 2002 tax liability. The result should be

each spouse's portion of the 2002 refund. Taxable social security benefits must be allocated between each spouse's share of the benefits received for the year.

The worksheet below lists income that is included on your federal return, along with federal line references. Find the lines that apply to your federal return, split the income between you and your spouse, and enter the amounts on the worksheet. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Line 1.

Note: Remember, the incomes listed separately on Line 18 of this worksheet must equal your total federal adjusted gross income when added together.
